SUMMER RESIDENTIAL ASSISTANT

HIGH TECH SCHOLARS LAUNCHPAD 2025

HIGH TECH SCHOLARS

Applications Now Open!

The High Tech Scholars Program is a scholarship and support initiative for first-generation transfer students from the Los Angeles area who are pursuing degrees in engineering, computer science, and related tech fields.

WHAT YOU WILL DO

- Support incoming High Tech Scholars by leading activities
- Mentoring students
- Helping build a positive and inclusive living-learning community

Transfer students are strongly encouraged to apply.

PROGRAM DETAILS

- July 1 – July 31, 2025
- Live on Campus
- Stipend, Meals & Housing Included
